(b) Area Regulations:

(1) Regional Manager's Authority: The regional manager shall have the authority to

regulate public use of State wildlife areas where such use is not provided for in these regulations or in sections 551 and 552 of this title.

(2) Entry Restrictions. The department may limit the number of persons entering any area listed in section 550 or 551 of this title during any period for safety reasons, to reduce crowding, to provide for the limited take of a species, or may close portions of areas or close areas entirely to public entry or to specific activities. No person shall enter an area that has been closed to the public, except by written permission of the regional manager. On wildlife areas where entry and exit sites are designated by the department, no person shall enter or leave except at designated sites.

(3) Procedures for Issuing Entry Permits. In the event that the department elects to limit the number of hunters, trappers, or other users, entry permits will be issued on a first-come, first-served basis, or by a drawing to be held at a designated department office. The department shall inform the commission in writing and the public via the news media of any implementation of the provisions of this subsection, when limits imposed under this subsection differ substantially for a specific area from the prior year. Such notification shall include: the State wildlife area affected, the time period, the reason for the limitation or closure, the number of entry permits to be issued, and the method of issuance.

(4) Permit Requirements. No person shall enter any State wildlife area or portion thereof where the department has limited public entry without a valid entry permit in their immediate possession. [See subsections 551(f), (g), and (h) for regulations regarding general requirements and costs for individual entry permits. See subsection 551(q) for entry permit requirements for specific areas.]

(5) Use Permits for Organized Events. Any person organizing an event or gathering to be conducted on a State wildlife area shall obtain a use permit from the appropriate regional manager. Such events or gatherings shall be compatible with wildlife area objectives.

(6) Motor Driven Vehicles.

(A) No person shall drive, operate, leave, place, or stop any motor driven vehicle or trailer on any State wildlife area except on public or established roads or on designated jeep trails and such other areas as designated by the Department. No person shall park or leave any motor driven vehicle or trailer in any area where signs prohibiting parking are posted. The Department may designate the parking lot where a person must park a vehicle while on the wildlife area.

(B) No person shall drive a vehicle carelessly in willful disregard of the rights or safety of others, or without due caution or at a speed or in a manner likely to endanger any person, property, or wildlife.

(7) Signs, Traffic and Road Closures.

(A) Drivers of motor driven vehicles operated within the wildlife areas shall comply with the directions of traffic signs posted in the area by the department.

(B) No person shall damage, remove, or destroy any barrier, sign, signpost, or signboard on any wildlife area.

(8) Boats.

(A) The department may restrict the use and operation of boats on State wildlife areas, department administered national wildlife refuges, and State recreation areas to protect

natural resources or provide for the orderly operation of hunting and fishing programs on these areas. Boating restrictions may include, but not be limited to, limiting boat speeds, limiting motor size and type, or prohibiting the use of motors. During the times waterfowl are present, the provisions of Section 251 of this Title will also apply.

(B) Except as prohibited in subsection 551(q), boats may be used under the following regulations on State wildlife areas, department administered national wildlife refuges, and State recreation areas.

1. When launch sites are designated by the department, all boats must be launched and removed from those sites.
2. All persons shall remove their boats from the waters when instructed to do so by an employee of the department.
3. The use of boats may be restricted to certain zones designated by the department.
4. Boat speed shall not exceed five miles per hour.

(9) Vandalism and Litter.

(A) No person shall tamper with, damage, or remove any property not his own when such property is located within a State wildlife area.

(B) No person shall leave, deposit, drop, bury, or scatter bottles, broken glass, feathers, hides, wastepaper, cans, sewage, or other rubbish in any State wildlife area except in a receptacle or area designated for that purpose, and no person shall import and deposit any rubbish or toxic substance into State wildlife areas from other places. Where no designated receptacles are provided, any refuse resulting from a person's use of the area must be removed from the area by such person.

(10) Trees and Minerals.

(A) No person shall dig up, cut, damage, or remove from a wildlife area any trees, shrubs, vines, plants or wood, except that vegetation may be cut and used for the purpose of building blinds, unless otherwise directed by the area manager.

(B) No person shall dig up or remove any humus, soil, sand, gravel, or rock.

(11) Bottles and Artifact Collecting. No person shall collect or remove bottles or artifacts, or dig or otherwise disturb the soil to locate or remove bottles or artifacts, from any Wildlife Area.

(12) Camping and Unattended Personal Property. No person shall camp in any part of a State wildlife area except in areas designated by the department. (See subsection 551(q) for additional camping restrictions on specific areas). Camping on wildlife areas shall be limited to not more than seven consecutive days, and not more than 14 days total in any calendar year, except by written permission of the Regional Manager.

Personal property may not be left on State wildlife areas for camping or other purposes, except at authorized locations. Decoys may not be left in the field overnight, except as provided in subsection 551(q). Any hunting blinds on wildlife areas shall be available on a first-come, first-served basis.

(13) Fires. From April 30 through October 30 on Type C areas, and during the entire year on Type A and B areas, no person shall build or maintain fires except in portable gas stoves, in charcoal briquette barbeques, or in fireplaces at sites developed by the department. No fire shall be left unattended and all fires shall be extinguished with water before leaving. (See subsection 551(q) for additional fire restrictions.)

(14) Use of Dogs and Field Trials. The department may prohibit or restrict the use of

dogs on any State wildlife area (see subsection 551(q)). Except as further prohibited in subsection 551(q), dogs are allowed only for hunting or when under immediate control. Dogs must be leashed at designated campsites and check station areas. Special permits are required for field trials. Dog training is allowed only in areas maintained by the department.

(15) Pesticides Use. No person, other than authorized federal, state, or local employees conducting a pest control program approved by the department, shall apply any pesticide in any State wildlife area.

(16) Livestock. No person shall permit livestock, including but not limited to cattle, horses, sheep, goats, and hogs, to browse, graze, bed, cross, or otherwise trespass on any State wildlife area except under an authorized grazing permit issued by the department. The recreational use of horses is allowed, except as designated in subsection 551(q). Persons who fail to remove their livestock from any State wildlife area within 48 hours after receiving official notice of trespass by the regional manager through certified mail, shall be in violation of this section.

(17) Fish and Frogs. Fish and frogs may not be taken for commercial purposes (see subsection 551(q) for specific area regulations).

(18) Hunting and Trapping. Hunting and trapping shall be allowed on State wildlife areas during the regular open seasons subject to subsection 550(b)(19), 551(b), and 551(q), and such other area use regulations as specified by the regional manager.

(19) Special Restrictions. (Areas where hunting and possession of firearms and archery equipment is prohibited).

No person, except authorized personnel, shall possess or discharge a firearm, bow and arrow, air or gas gun, spear gun, or other propulsive device of any kind in the following areas: Battle Creek, Crescent City Marsh, Elk Creek Wetlands, Eureka Slough, and Hill Slough wildlife areas; Cordelia Slough and Montezuma Slough management units of Grizzly Island Wildlife Area; White Slough Unit of Napa-Sonoma Marshes Wildlife Area; and Day Island, Green Point, Novato Creek, Point Sonoma, and Rush Creek units of the Petaluma Marsh Wildlife Area.

(20) Possession and use of Alcohol. No person shall possess or use alcohol while in the field hunting or engaged in other authorized recreational activities on any State wildlife area or Federal wildlife refuge. For the purpose of this section, "in the field" is defined as all areas except checking stations and designated parking areas.

~~(20)~~ (21) Ejection. The department may eject any person from a State wildlife area for violation of any of these rules or regulations or for disorderly conduct, intoxication, or when a department employee determines that the general safety or welfare of the area or persons thereon is endangered. The decision, in such respect, of any department employee assigned management or enforcement responsibilities for the area shall be final.

~~(21)~~ (22) User Responsibility for Knowing Regulations. All wildlife area users shall be responsible for area-specific regulations listed under subsection 551(q). Failure to comply with any of the area-specific regulations shall be a violation of this subsection.
